Maulik is a Chartered Accountant from India with a Masters Degree in Commerce. He has an experience of many years in management and administration of finance and marketing departments at NCS. What makes him unique and invaluable for NCS is the amazing blend of business as well as technical skills.

AAYUSHI SHAH, CA

DIRECTOR

Aayushi is a high-energy, detail-oriented, and passionate Chartered Accountant. She is dedicatedly working in the field of Canadian accounting, bookkeeping and taxation. She enjoys generating new ideas and devising feasible solutions to complex problems.

NCS Advantage

01

UNDERSTAND CLIENT NEEDS

At NCS we understand our client's business needs and help them manage their business resources more efficiently.

02

STAFFING FLEXIBILITY

The team at NCS is highly qualified in the fields of Bookkeeping, Taxation & and compliance, Payroll, Financial Reporting, Financial Analysis, and other admin tasks assigned along with experience within the outsourcing environment. This experience gives us the ability to understand client's needs better and enables us to achieve higher client satisfaction.

03

BETTER RISK MANAGEMENT

NCS will allow you to share any associated risks to reduce your burden. For example - by outsourcing to NCS you reduce the risk involved in having the same task done in-house by staff that may not be as competent in that field.

04

FOCUS ON CORE ACTIVITIES

Workload increases with additional non-core functions and the quality of your core activities suffer as your business grows. Outsourcing in such a scenario to a third party plays an important role by allowing your key resources to focus on primary business tasks.

05

CUT COSTS AND SAVE BIG!

All the benefits listed above come with the bonus benefit of lower costs and big savings! You are getting access to quality services that are offered at a much Lower costs (You can save more than 50% costs)! Maintaining an infrastructure can be an extra burden for some businesses, which outsourcing can remove.

06

GIVE YOUR BUSINESS A COMPETITIVE EDGE

The ultimate benefit of outsourcing is that it helps your organization gain a competitive edge in the market. Through strategic outsourcing to NCS, you are not only providing your customers with best-of-breed services but increasing your productivity while managing your in-house resources intelligently.

Full-Time Employee: Elevate Your Business

A full-time employee acts as a full-time virtual accountant for businesses. With this offer, NCS recruits suitable candidates for the required and puts them through an extensive induction program.

Why Choose our Full Time Employee Model?

Dedicated Employee

Full-Time Resource

No Need Of
Infrastructure

Well supervised team with
leaders

Smooth Communication
support

Quicker turnaround time

What our Clients say?

After selecting the Pay-As-You Go (PAYG) Model, I have hired a Full-Time Employee at NCS who is very co-operative and humble. He has a very responsive and constructive approach towards his work and I am fully satisfied with their high-quality work at such low rates. I have worked with the different team members and they all are known for their very particular work and not even missing out a single minute details.

Due to a non disclosure agreement with these clients we can't reveal their names but they are more than happy to provide a reference.

SOFTWARES

and many more...

INFRASTRUCTURE

The workstations are configured per client's requirements and an enterprise-wide antivirus system protects the entire network. The staff has restricted access to the internet.

NCS is connected to the internet on fibre-optic lines. A dedicated fibre-optic ring ensures various redundancy paths to and from the ISP.

The latest communication systems, including VOIP phones, video, and audio conference devices are installed for smooth interaction with our foreign clients.

Training rooms are equipped with multimedia projection systems, net conference facilities, and workstations connected to the network for online training.

SECURITY MEASURES

Employees are allowed to enter the work area exclusively through biometric verification and access card.

USB ports are disabled at workstations and do not have external drives.

Cellular phones, Bags and Personal Articles are prohibited in the work area.

Accessing personal email accounts is strictly forbidden.

The entire work area & systems are under CCTV surveillance.

Use of the internet is restricted to work-related sites only.

All the work facilities are guarded by security guards deployed outside the work facilities at all times.

IP authentication ensures business sites of the firm are available to authorized parties.
